# LED Canopy Light

ETL,UL,SAA,CE,ATEX approved

### For Highest Safety ,

our LED canopy light pass the following standard.

CE, EN82471, ATEX, IP66, RoHS, PSE(Japan), ETL, cETL(USA&Canada), SAA(Australia&New Zealand)

### For Highest Quality ,

we use Best LED , Best Driver and best Housing .

1. Quality Waterproof Driver (Taiwan Meanwell driver)
2. High-performance Original CREE LED(Made in USA) and perfect wiring design

### For Highest Reliability .

we adopt CREE XPE with LM80 and MEANWELL HLG or CLG series with DMTBF (Demonstration Mean Time Between Failure) . So the yearly failure rate is less than 0.2%
